

# CAPABILITY STATEMENT

## Company Overview

PSG, based in Rockville, Maryland, collaborates with both public and private sector organizations to provide solutions in governance and performance management, compliance, risk and quality assurance, and leadership and workforce development. We assist clients in overcoming bureaucratic obstacles, inefficiencies, and leadership gaps, all while enhancing governance, optimizing performance, and fostering long-term trust through innovative, client-centered strategies.

## Differentiators

- **Integrated Expertise** – Governance, compliance, and leadership solutions under one umbrella for results.
- **Client-Centric Approach** – Building trust and value through tailored, relationship-focused services.
- **Innovation & Integrity** – Agile strategies delivered with honesty, transparency, and accountability.
